This instruction manual applies to the following model numbers:

13208 Mother's Choice Combo Changetable (walnut)

13209 Mother's Choice Changetable (white)

 **WARNINGS** 

“IMPORTANT. READ CAREFULLY BEFORE USE AND RETAIN FOR FUTURE REFERENCE.”

These instructions detail the safe use, assembly and maintenance of your product. Please read these instructions carefully and ensure that they are followed at all times.

- Follow the manufacturer’s instructions.
- Do not leave children unattended.
- Do not use the unit on an elevated or uneven surface.
- Use only on a level floor, in a safe area.
- Do not use this change table if any part is broken, damaged or missing.
- Follow the manufacturer’s instructions at all times.
- Where present, use the safety belt at all times.
- Do not use the unit near an open fire, barbecue, or exposed flame.
- The unit is designed for one child only.
- Ensure that the unit is completely assembled and check that all parts are securely tightened before placing a child on the table. Screws shall not be loose because a child can squeeze parts of the body, or clothing (eg strings, necklaces, ribbons for dummies, ect) could get caught. There may be a strangulation hazard.
- Regularly inspect the unit for any parts that are loose, broken, torn or missing. Attend to the problem as soon as it is noted.
- Do not move the unit whilst a child is on it.
- Where applicable, apply all the brakes on the castor wheels when in use.
- Replace the change pad if it is torn or damaged.
- Use only approved spares and accessories supplied by IGC Dorel for the unit.
- This unit is not intended for commercial use.
- Stop using when infant starts to roll.
- To avoid danger of suffocation, keep any plastic bags away from babies and children.
- Stop using when infant starts to roll or a maximum weight of **15kg**.
- A changing pad must be used with this table. The pad should fit snugly into the table top recess. Recommended size:
750mm long x 500mm wide x 30mm (Max) thick.

Components List:

TIMBER COMPONENTS REQUIRED FOR CHANGETABLE

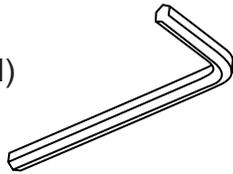

- 1 Headboard
- 1 Footboard
- 3 Shelf Inserts

- 2 Side Rails(Top)
- 4 Side Rails(Shelf)
- 1 Safety Belt

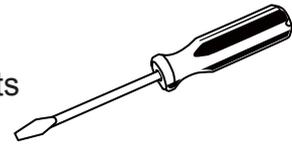

- 4 Castors

TOOLS REQUIRED:

Allen key (supplied)

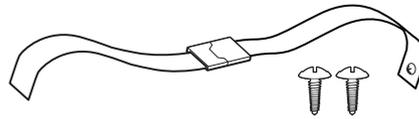

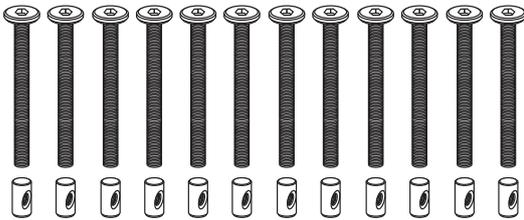

Flat blade screwdriver
for lining up barrel but slots
(not supplied)

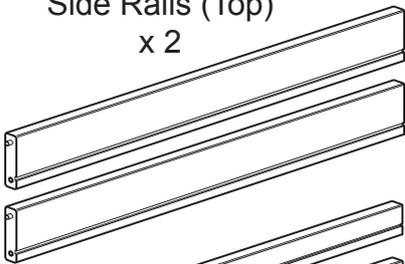

HARDWARE:

Allen head Bolt and Barrel Nut x 12

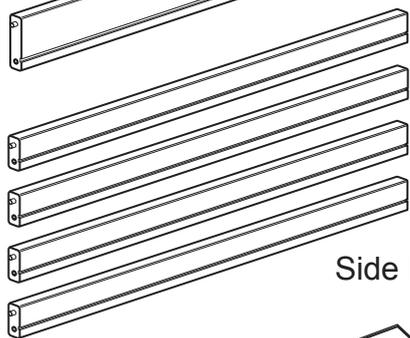

Safety belt x 1
Fastening screws x 2
(pre assembled to
top side rail)

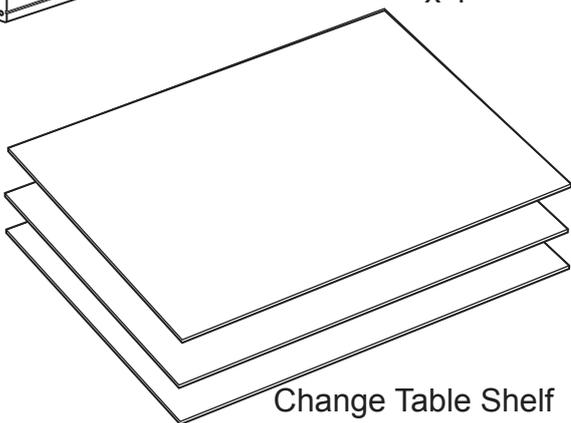

Side Rails (Top)
x 2

Castors x 4

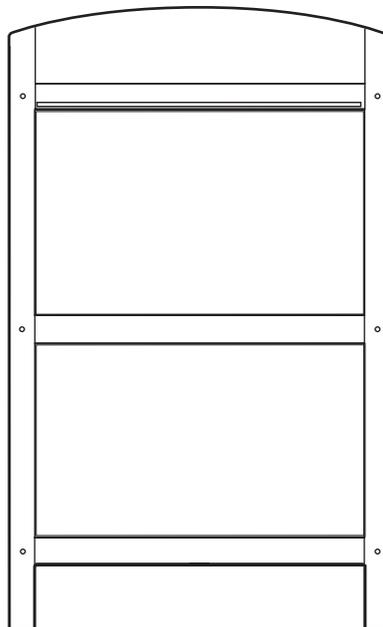

Side Rails (Shelf)
x 4

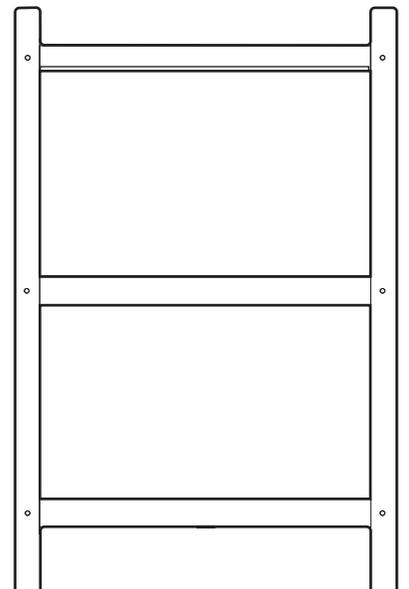

Change Table Shelf
Inserts x 3

Footboard

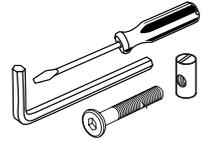

Assembling: Combo Changetable

STEP 1- TO ATTACH SIDE RAILS

Tools/Hardware required:

It is recommended that two people are needed to safely assemble this product.

- Lay one side rail(top) and two side rails(shelf) on a carpeted floor with grooves facing up, as per **Figure 1**.
- With the headboard laying on it's side, align the side rails with the headboard noting the side rail(top) goes to the top, followed by two side rail(shelf), as per **Figure 2**.
- With one allen head bolt and one barrel nut for each joint, assemble as per **Figure 2A**.

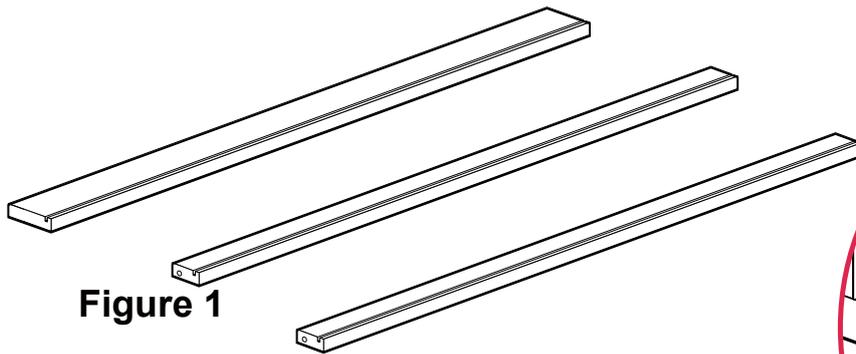

Figure 1

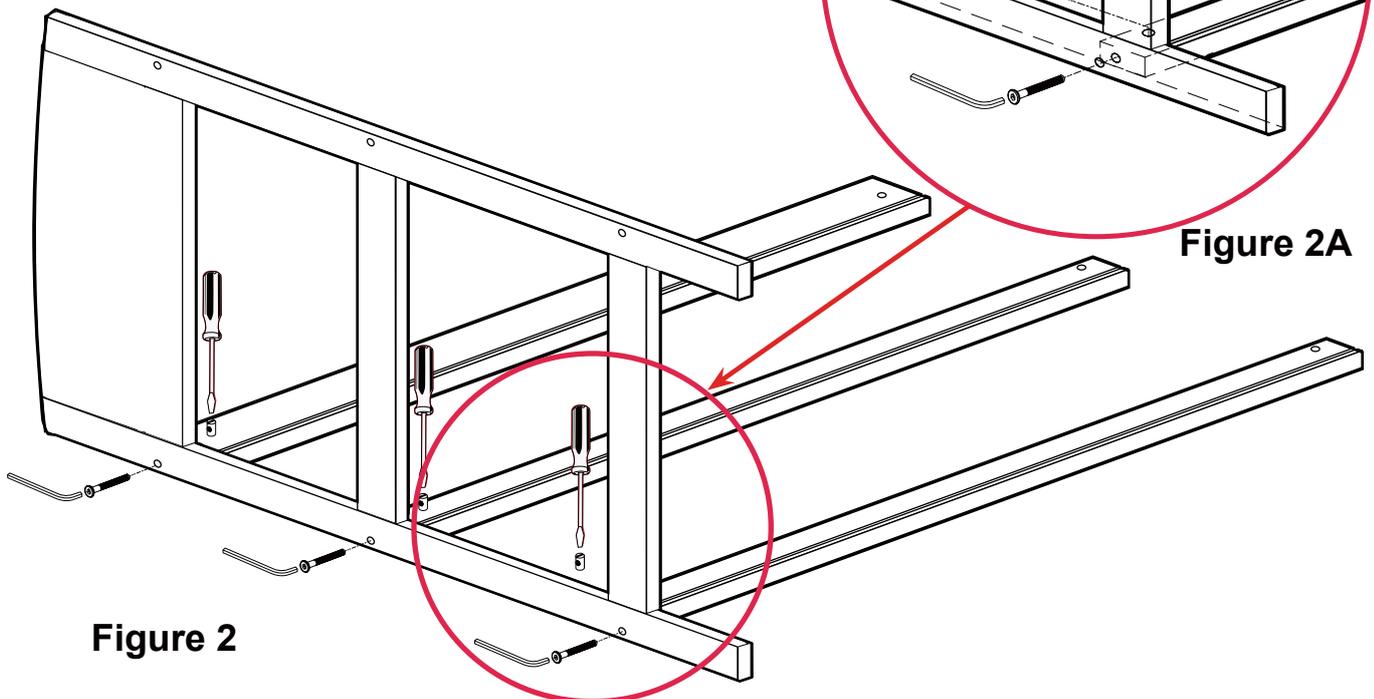

Figure 2

Figure 2A

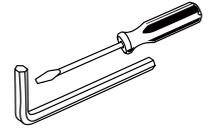

Assembling: Combo Changetable

STEP 2 - TO ATTACH SHELF INSERTS

Tools/Hardware required:

If it is difficult to fit the shelf inserts between the changer ends, loosen the fixing bolts slightly.

- Place one shelf insert **(A)** into the grooves in the side rails **(B)** and back panel **(C)** located at the top of the head board, and repeat the same action with other two shelf inserts, as per **Figure 3**.

Ensure that the changetable shelf insert with the printed warning is installed at the top facing upwards.

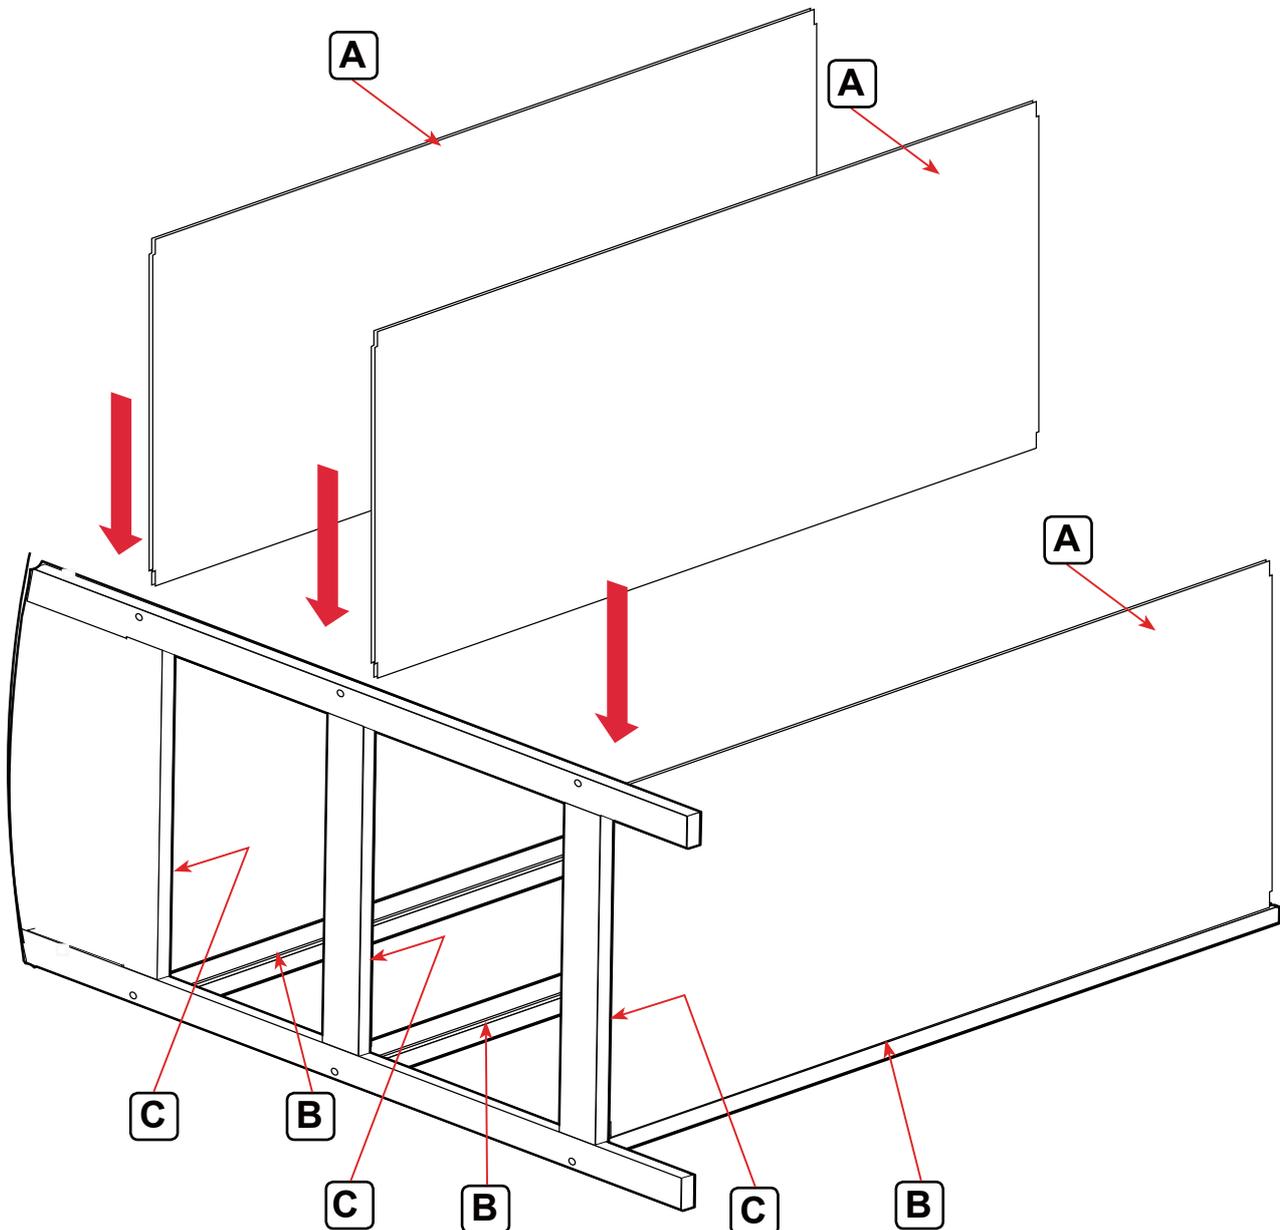

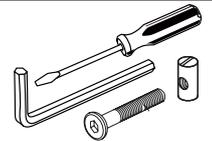

Figure 3

Assembling: Combo Changetable

STEP 3 - TO FIT THE REMAINING SIDE RAILS

Tools/Hardware required:

- Lay one side rail(top) and two side rails(shelf) on a carpeted floor with grooves facing down, as per **Figure 4A**.
- Align the side rails with the headboard noting the side rail(top) goes to the top, followed by two side rail(shelf), as per **Figure 4**.
- With one allen head bolt and one barrel nut for each joint , assemble as per **Figure 4**.

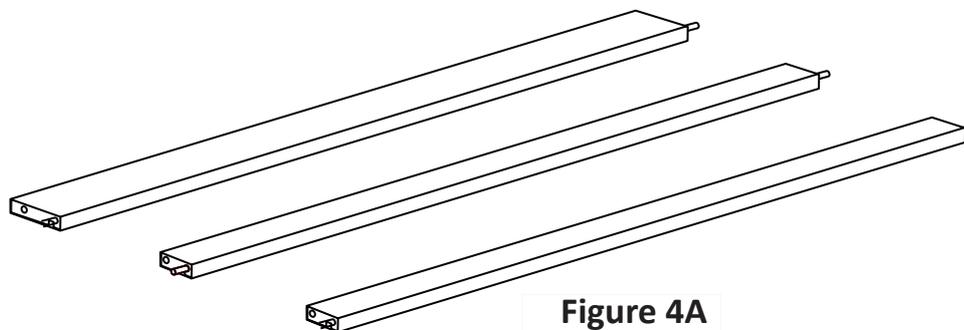

Figure 4A

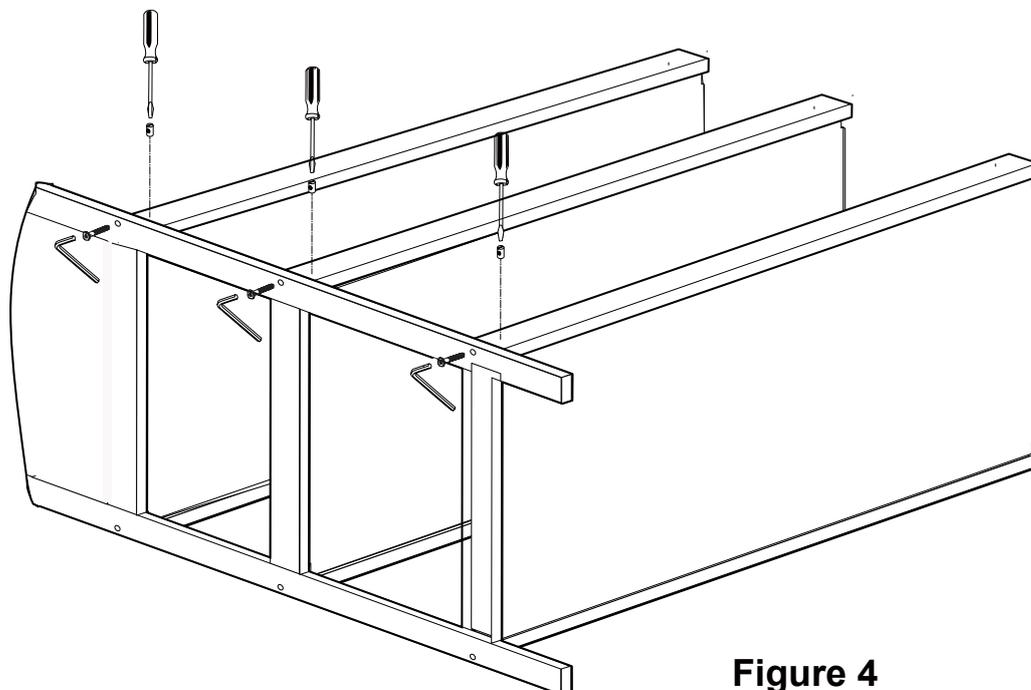

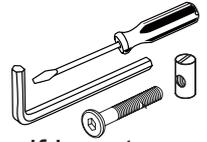

Figure 4

Assembling: Combo Changetable

STEP 4 - TO FIT THE FOOTBOARD

Tools/Hardware required:

- Lay the assembly so that the headboard is lying face down, and the shelf inserts and Side rails are pointing upwards.
- Place the footboard on top of the assembly so that the grooves are facing the shelf inserts.
- Arrange the components so that the footboard fits onto the side rail dowels and the shelf inserts fit into the grooves.
- Slide the barrel nuts into their holes so that their grooves are facing out and aligned with the side rail. See **Step1** for further instructions.
- Slide the allen head bolts into their holes, and screw in.
- Stand the assembly upright.
- Ensure that the shelf inserts are located in their corresponding grooves, as per **Figure 5**.
- Tighten all bolts before using.

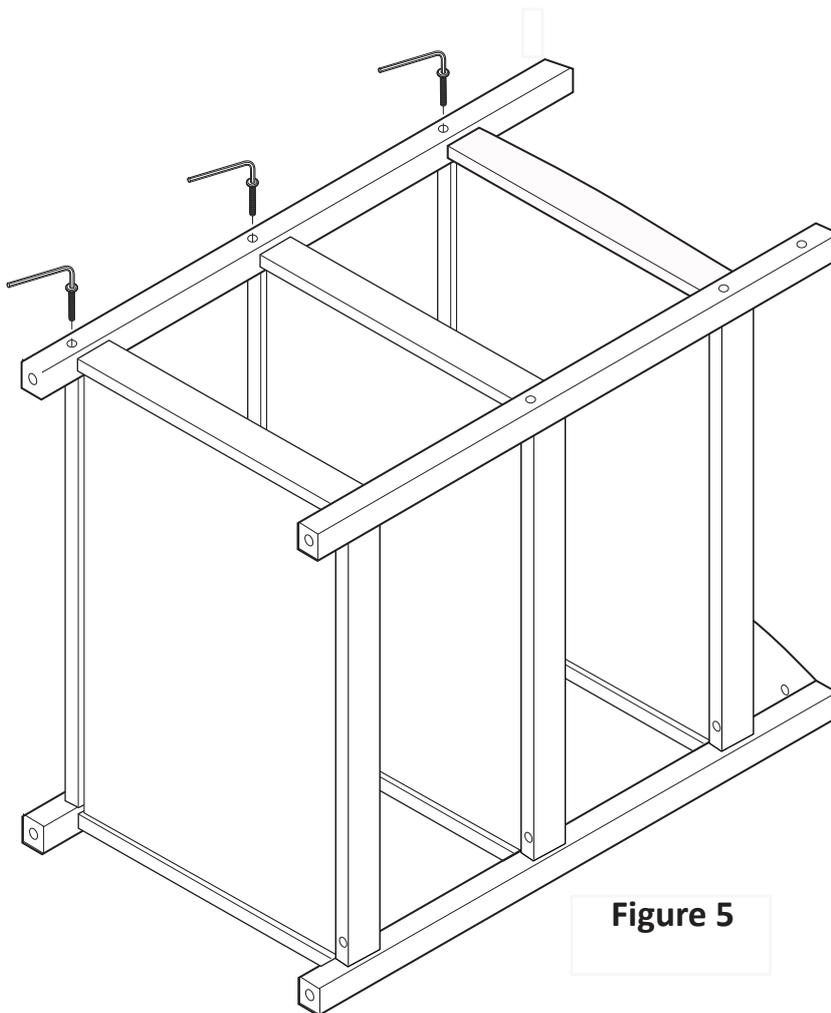

Figure 5

Assembling: Combo Changetable

STEP 5 - TO FIT THE SWIVEL WHEELS

- Insert the castor spindle into the hole in each leg's end, as per **Figure 6** and push in all the way.
- Check that the castors are properly inserted by attempting to gently remove them.

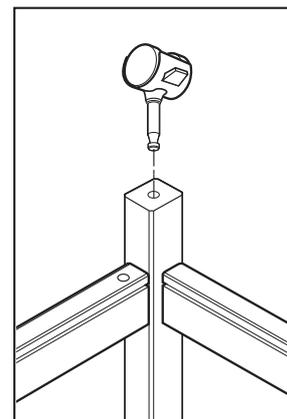

Figure 6

STEP 6 - TO CHECK THAT THE CHANGETABLE IS SAFE TO USE

- Stand the unit upright.
- Tighten all screws with the Allen Key. Do not over tighten the screws.
- Ensure unit is stable.
- Fit a Changing Pad snugly into the table top recess. Recommended size: 750mm long x 500mm wide x 30mm (Max) thick.

TO APPLY THE BRAKES

- Press **Down** on the small tab on the castor and **Up** to release, as per **Figure 7**.

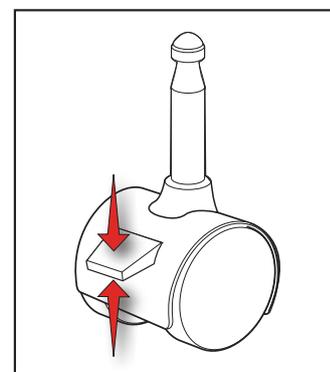

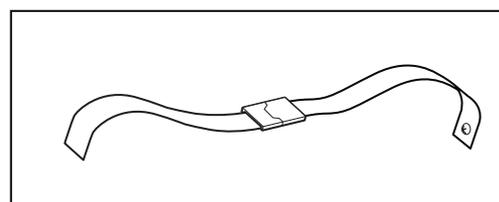

Figure 7

TO SECURE YOUR CHILD

- The harness straps can be adjusted by moving each strap's slider.
- The buckle is released by squeezing the buckle tongues together.

Use this harness at all times.

Product care and maintenance

- Always store the unit in a clean and dry place.
- Do not use abrasives or detergents on the unit's surfaces.
- Scuff marks can be removed with mild soap and warm water. Dry with a soft towel.
- Occasional application of furniture polish will maintain the finish of your unit.
- Regularly check all bolts to ensure they are tight.
- Damaged components should be replaced as required.
- Replacement parts are available from the IGC Dorel Customer Service Department.
