

# Five tips for an Organised Craft Room

## INSPIRATION STATION

Your Craft Room (or nook, or shelf, depending on your home) is where so much creative inspiration and planning happens. But when you store so many different types of stationery and tools in this area, it's easy for it to become a confusing mess!

So here are my five top tips to keep this space organised, so that you can get on with fun part - making wonderful creations!

**Tip one: Make the most of vertical space**

**Tip two: Hang items when you can**

**Tip three: Compartmentalise**

Store similar items in containers and/or dividers

**Tip four: Label containers**

**Tip five: Store rolls in tidy bins**
