MAKE YOUR OWN
PHOTO WALL HANGER

HOW TO MAKE A

PHOTO WALL HANGER

YOU WILL NEED:

- HP Sprocket and photo paper (or print your snaps at our Print & Copy Centre)
- Washi tape
- Cotton cord
- Bamboo (available at The Warehouse)
- Small scissors

INSTRUCTIONS:

1. Print off your selected photos.
2. Place your bamboo sticks apart and space out the photos you want to use to get the length.
3. Measure out your pieces of twine, leaving an extra 10cm or so to tie off.
4. Tie them equally spaced along the top and bottom of your bamboo.
5. Flip the photos over, slide them under the string into place and secure with washi tape.
6. Tie a piece of twine either side to hang on the wall.
