Terms and Conditions (November 2021)

Congratulations on Your new purchase. We are pleased that You have elected to protect Your purchase with Product Protection.

Product Protection operates alongside any rights and remedies to which You may be entitled under the Consumer Guarantees Act 1993 and any other law that applies to the Covered Item. A summary of rights and remedies under the Consumer Guarantees Act is set out below:

Summary of rights and remedies for consumers under the Consumer Guarantees Act 1993

You are a consumer under the Consumer Guarantees Act if You:

- Acquire goods or services that are ordinarily acquired for personal, domestic, or household use or consumption; and
- Do not acquire or hold Yourself out as acquiring them for the purpose of –
 - resupplying them in trade;
 - consuming them as part of a process of production or manufacture; or
 - in the case of goods, repairing or dealing with them in trade in relation to other goods or fixtures on land.

Goods

If a business sells You goods as a consumer then those goods must:

- be durable for as long as most people would expect that kind of good to last;
- be fit for their purpose – do the normal things that people would expect this kind of good to do;
- be free of minor and major faults;
- do what You the consumer are told they do including anything You are told about them and anything written on the box or in advertising material;
- arrive on time (if they are delivered) and be in good condition.

Rights

If You as a consumer have problems with a good, You have the following rights:

- If the failure is serious You can choose between a refund, a replacement with goods of the same type and similar value, a repair or keeping the goods and the business that sold You the goods will pay You an amount of money to cover the loss in value.
- If the failure is not serious the business that sold You the goods can choose to refund, repair or replace with goods of identical type. If they choose to repair or replace, it must be done within a reasonable time or You can ask for a refund.
- If the failure makes the goods unsafe You can choose between a refund, a replacement or keeping the goods with the business that sold You the goods paying You an amount of money to cover their loss in value.
- If You incur extra costs from the failure the business that sold You the goods must pay You a reasonable amount for damage caused by any fault or for extra costs caused by the failure of the goods including any costs in returning the goods.

Remedies

- You can claim a remedy directly from the business that sold You the goods. You do not have to contact the manufacturer, a repair person or any other third party to claim a remedy instead of claiming from the seller. If the seller tells You to do that, they are likely to breach the Fair Trading Act by misleading You about Your rights.
- You will lose the right to a refund for a serious failure if You do not contact the business that sold You the goods and ask for a refund soon after You discover the fault.
- You must return the goods to the business that sold them to You for a refund unless they are large or heavy or difficult to move. If they are, then the business that sold You the goods must arrange for them to be returned.
- If the remedy is for the goods to be repaired, You must give the business that sold You the goods the chance to repair them before You take them to someone else to repair. They do not have to cover the cost of a repair if You do not contact them first.
- There is no limit on the number of claims You can make.
- If the business that sold You the goods has repaired or replaced them, You have the same rights with that item as You had with the original goods.
- If the business that sold You the goods disagrees about the fault, what caused the fault or what remedy You are entitled to, You can take them to the Disputes Tribunal. There is a cost which You pay to the Tribunal for taking such a claim.

Additional protections and services provided by Product Protection

(for additional information on benefits, refer to the section 'Product Protection Features and Benefits explained' within this booklet).

- Certainty of Breakdown cover upon expiry of the Manufacturer's Warranty;
- After a Covered Item has been repaired twice due to Breakdowns from the date You purchased it, Your Covered Item will be replaced should it fail a third time even if the failure is not considered a major fault;

Product Protection Features and Benefits explained

1. Breakdown Cover

It doesn't matter if You purchased the latest mobile phone or 3D printer, Product Protection gives You the benefit of additional Breakdown protection after the conclusion of the standard Manufacturer's Warranty.

Subject to the Terms and Conditions and Dollar Limits, whilst Cover is active Product Protection provides You with peace of mind knowing that if Your Covered Item fails, whether as a result of mechanical issues, electrical issues, power surge, sulphur damage, blockage (blockage only applies to washing machines, clothes dryers and dishwashers) or Fair Wear and Tear that affects the functionality or operation of Your Covered Item, it will be repaired or replaced.

2. Lemon protection

If the Covered Item has been repaired twice due to Breakdown from the date You purchased it, if it suffers a Breakdown for the third time, then subject to the Terms and Conditions We will replace the Covered Item as set out in the Replacement Terms.

3. Unlimited Breakdown claims

Subject to the Terms and Conditions You will be able to make an eligible claim for each Breakdown of Your Covered Item during the Period of Cover. During the period that the Manufacturer's Warranty still applies, You must exercise Your rights under the Manufacturer's Warranty (and/or Consumer Guarantees Act 1993) rather than make a claim under Product Protection should Your Covered Item fail due to reasons other than a power surge or sulphur damage or blockage (only applies to washing machines, clothes dryers and dishwashers).

4. Blockage protection for certain White Goods

Where Your Covered Item is a washing machine, clothes dryer or dishwasher and it suffers a Breakdown due to a blockage from a foreign substance (coins, tissues, food scraps etc), if it is subsequently found after removing the foreign substance the Covered Item does not require repairs or replacement, the Covered Item will be unblocked at Our cost. Where the Covered Item does require repair or replacement it will be subject to these Terms and Conditions.

5. Free freight cost and assessment

Under Product Protection, during the claims process, We will cover any freight costs associated with the handling of Your Covered Item and We will not charge You for an assessment of Your Covered Item even when no fault is found.

Note: Free freight only applies to assessments, repairs or replacements undertaken in New Zealand.

6. Portable devices overseas protection

Where Your Covered Item is a portable device, in Your possession whilst You are travelling overseas, it will be protected. However, You may be required to find a suitable and convenient repairer. You will need to contact Us prior to having Your Covered Item repaired, We will then advise You whether You are authorised to arrange the repair.

If We authorise the repair, You may be required to pay for the repair and claim the cost back from Us. You will need to provide Us with an itemised invoice of the repair costs in order to have Your reimbursement approved under Product Protection. If We have authorised the repair, We will pay all reasonable costs, even if they are more than it would have cost had the Covered Item been repaired in New Zealand.

If Your Covered Item needs replacing, this will be in accordance with the Replacement Terms and any replacement item or Gift Card will be issued to a New Zealand address only.

7. Commercial or Business Use

Product Protection provides cover for some Commercial or Business Use when the Covered Item was purchased for personal use.

8. Food Spoilage

If Your Covered Item is a refrigerator or freezer, We will reimburse You for food spoilage as a result of a Breakdown. We will reimburse, subject to the Terms and Conditions of Cover, up to \$200 per Breakdown where the spoilage was caused by or attributable to the Breakdown that is the subject of a valid claim. You will be required to show evidence of food spoilage with food receipts and photos of the spoiled food.

9. Laundry Costs

If Your Covered Item is a clothes washer or clothes dryer, We will reimburse You up to \$200 per Breakdown for laundry costs You incur as a result of a claimable Breakdown which renders Your Covered Item inoperable for a period of greater than seven (7) days commencing from the date the repairer has been given access to the Covered Item. Receipts for laundry costs must be submitted to support Your claim.

10. Transferable

If You sell or gift the Covered Item, Product Protection can be transferred to the new owner for the remaining period of Cover if You call the Administrator on 0800 400 203 within seven (7) days. Our total liability under Product Protection is not increased as a result of any such transfer.

Period of Cover

The relevant period is specified in Your Tax Invoice and ceases when the first of the following occurs:

- We provide You with a Gift Card as the result of a claim;
- The date that is three (3) years from the date You purchased Your Covered Item inclusive of the Manufacturer's Warranty; or
- For White Goods, the date that is five (5) years from the date You purchased the Covered Item inclusive of the Manufacturer's Warranty.

It is important for You to check the term of the Manufacturer's Warranty.

During the period that the Manufacturer's Warranty still applies, You must exercise Your rights under the Manufacturer's Warranty (and/or the Consumer Guarantees Act 1993) rather than make a claim under Product Protection should Your Covered Item fail due to reasons other than a power surge, sulphur damage or blockage (blockage only applies to washing machines, clothes dryers and dishwashers).

Your remedies under Product Protection

Whilst You are Covered, if You choose to make a claim under Product Protection and the claim is approved by Us, then We will, at Our sole discretion:

- Repair the Covered Item; or
- Replace the Covered Item in accordance with the Replacement Terms.

Repair

We will usually attempt to repair the Covered Item in the first instance, in which case We will arrange for Your repair through the Retailer's authorised repairer. However, We will not always elect to repair the Covered Item (for example, if We determine that repairs are unlikely to be effective or economical). In those cases, at Our sole discretion, We will replace the item in accordance with the Replacement Terms.

If the Covered Item is heavy (e.g. a large TV with a screen size larger than 60cm), We may repair it at Your home. If We can't repair it onsite, We'll take it away to be fixed as quickly as possible.

Please note, where Your Covered Item is capable of retaining user-generated data, the repair of Your Covered Item may result in loss of the data. We recommend You back-up Your data. User generated data includes, for example, files on a computer hard drive, telephone numbers stored on a mobile phone, songs stored on a portable media player or games saved on a games console.

Repair Notice: You should be aware that, in some circumstances, Covered Items presented for repair may be replaced by refurbished items of the same type rather than being repaired. Refurbished parts may be used to repair the Covered Item.

Replacement Terms

If We, at Our sole discretion, elect to replace the Covered Item then We will replace the Covered Item with an identical item or, if an identical item is not available, an item with equivalent specifications to the Covered Item. The cost of replacement will not exceed the original Purchase Price of the Covered Item.

Note: The replacement item We supply may have a lower selling price than the Covered Item and is a replacement based on equivalent specifications. Replacement of a Covered Item is not limited to the original manufacturer's brand due to availability and changes in technology.

If We, at Our sole discretion, determine the Covered Item cannot be repaired or replaced, We will provide You with a Gift Card that has a value equal to the original Purchase Price of the Covered Item.

If Your Covered Item is replaced or a Gift Card is issued as settlement, the faulty or damaged item will become Our property.

Where We replace Your Covered Item, Your Product Protection Agreement will be endorsed to reflect the details of the replacement item. The replacement item will become the Covered Item and Cover will continue on the same basis as prior to the replacement for the remaining period of Cover.

We will assess Your claim and determine whether You are entitled to a remedy under Product Protection within five (5) business days of receiving all details of Your claim and use Our best endeavours to provide Your remedy as soon as possible after the date of assessment. Please ensure You have the Tax Invoice (i.e. Your receipt) and this Product Protection Agreement available when calling or lodging a claim online.

Breakdown Claim

Review the manufacturer's product manuals and instructions first as this will often pinpoint what is wrong and advise You how to remedy the issue.

If the Covered Item is within the term of the Manufacturer's Warranty, contact the Retailer to remedy the fault.

If the Covered Item is outside of the term of the Manufacturer's Warranty and You cannot identify the problem or the Covered Item needs repair, You may lodge Your claim online 24/7 at <https://eclaims.virginiasurety.co.nz/thewarehousegroup> or contact Us on 0800 400 203 seven (7) days a week 9 am to 6 pm (excluding Public Holidays) for assistance. You will need Your Tax Invoice number when lodging a claim.

At any time before or after expiry of the Manufacturer's Warranty You are entitled to exercise rights You may have under the Consumer Guarantees Act 1993 against both the manufacturer and the Retailer.

Duty Of Disclosure

When entering into a Product Protection Agreement with Us You must answer Our questions truthfully and You have a duty under law to tell Us anything known to You and which a reasonable person in the circumstances would include in response to Our questions. We will use Your answers to decide whether or not to Cover You and anyone else named on the Product Protection Agreement, and on what terms We will provide Cover.

It is important that You understand You are answering questions for yourself and those answers will affect anyone else You want to be covered by the Product Protection Agreement.

If You do not answer Our questions in this way, We may reduce or refuse to pay a claim, or cancel the Product Protection Agreement. If You answer Our questions fraudulently, We may refuse to pay a claim and treat the Product Protection Agreement as never having existed.
