Tips before you start

1. Please check that all parts are present before you start the assembly of your furniture.
2. For ease and speed of assembly, we recommend that before you commence each step of the assembly, that you identify all the parts required for that step.
3. For larger items, please ensure that you have sufficient space and people (as indicated on page 1) to assemble your product safely.
4. We recommend that, where possible, all items are assembled near to the area in which they will be placed in use, to avoid moving the product unnecessarily once assembled.
5. For the protection of your furniture, we recommend that the product is placed on a protected surface during assembly to prevent any damage.
6. During assembly please take care not to over-tighten any fittings, as this may damage the product. Do not use power tools.
7. Always place the product on a flat, steady and stable surface.
8. Do not stand on the product. Do not use the product as a stepladder.
9. This product is intended household use only as it is a non-industrial product.
10. Please use caution and care when lifting the product to avoid personal injury and/or product damage.

Care and maintenance

- Ensure the umbrella is secured to the ground before use.
- The umbrella base could be bolted to an even surface such as a deck or a patio.
- Assembled umbrella is intended to be used as sunshade and not as rain and wind protection.
- Do not leave the umbrella open in strong wind.
- Always ensure that the umbrella is secured to a base on a level, non-slippery surface.
- We recommend to use 4 x 15kgs pavers on the base to ensure the umbrella is stable (pavers are excluded).
- Do not leave the umbrella unattended while it is open.
- Be careful not to get your fingers caught when folding and unfolding.
- Keep umbrella away from open flames or heat sources.

Failure to follow these warning may result in products failure or personal injury.
