### Part Name

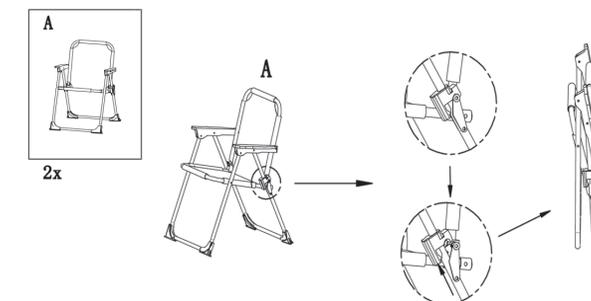

- 1 Please check that all parts are present before you start the assembly of your furniture.
- 2 For easy and speed of assembly, we recommend that before you commence each step of the assembly, that you identify all the parts required for that step.
- 3 For larger items, please ensure that you have sufficient space and people (as indicated on page 1) to assemble your product safely.
- 4 We recommend that, where possible, all items are assembled near to the area in which.
- 5 They will be placed in use, to avoid moving the product unnecessarily once assembled.
- 6 For the protection of your furniture, we recommend that the product is placed on a protected surface during assembly to prevent any damage.
- 7 During assembly please take care not to over-tighten anythings, as this may damage the product. Do not use power tools.
- 8 Always place the product on a steady and stable surface.
- 9 Do not stand on the product. Do not use the product as a stepladder.
- 10 This product is intended for indoor, household use only as it is a non-industrial product.
- 11 Please use caution and care when lifting the product to avoid personal injury and/or product damage.

### Care and maintenance

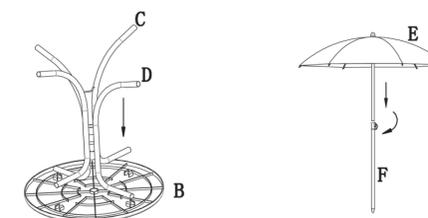

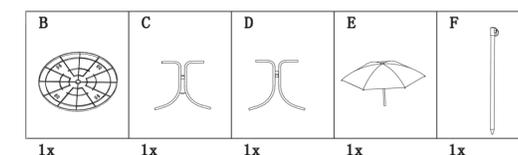

- When left exposed to the elements for a period of time, steel may rust and fabric may fade.
- To prolong the life of your furniture, clean and dry frame regularly.
- Use car polish or similar product for extra protection of metal components. Use spray lubricant or similar on nuts and bolts.
- We recommend storing furniture under cover, out of direct sunlight and using furniture covers when not in use and for protection during the winter months.
