SET-UP INSTRUCTIONS

Step 1

Remove wagon from travel sleeve and open velcro holding the handles together.

Step 2

Spread the wagon frame open and allow it to come to a fully extended position. Use caution near moving parts to prevent pinching.

Step 3

Spread apart the rear wheels until you hear a positive "click" ensuring they are locked to the outer frame. Use caution near moving parts to prevent pinching.

FOLD-DOWN INSTRUCTIONS

Step 1

Return rear wheels to center location on rear axle. Use caution near moving parts to prevent pinching hazard.

Step 2

Pull loop in wagon straight up while allowing front wheels to swivel 180 degrees to reverse position. Use caution near moving parts to prevent pinching.

Step 3

With wheels aligned, close frame tightly and resecure the handles with the velcro enclosure. Put on Travel Sleeve for travel or storage. Store in cool, dry location.
