## YOU WILL NEED

- Plain t-shirt
- Printed 'My Kids Rule' design
- Marker pen – we used a Sharpie Laundry Marker
- Pins

## INSTRUCTIONS

- 1 Print out the design.
- 2 Slide the printed design inside the t-shirt, with the words face up. You should be able to see the design peeking through the fabric. You can use some pins to hold the paper in place.
- 3 Trace over the design with your marker pen. If your fabric is too thick to see the design through, you can try holding it up against a window so that the light shines through and highlights the design.
- 4 Finish tracing on the design, then it's ready to wrap up for Father's Day!
