## Floor Lamp

### Instructions

Please read these instructions and warnings carefully before operating to ensure safe and satisfactory operation of this product.

Please also retain these instructions for future use.

#### Warnings:

- This is a Class II product and does not require an earth connection.
- Always use the correct type and wattage of bulb.
- When changing a bulb, always switch off the light at the wall socket and allow the bulb to cool down before handling.
- Dispose of old bulbs carefully.
- Do not switch on the light until the assembly is complete.
- Do not cover the lamp or bulb during use as this could be a potential safety hazard
- Turn off the appliance when not in use.
- The luminaire is not intended for use by children unless suitable adult supervision is provided.
- Children should be supervised to ensure they do not play with the luminaire.
- The fitting is intended for indoor use only.
- If the external flexible cable or cord of this luminaire is damaged, it shall be exclusively replaced by the manufacturer or his service agent or a similar qualified person in order to avoid a hazard.

**CAUTION:** Ensure that the light bulb is not within the recommended 0.5m of any surface when operating as this could be a potential safety hazard.

**CAUTION:** Never exceed the bulb wattage stated.

#### Assembly:

1. Lay the base on its side so that you can screw each section of the stem together while keeping the whole assembly laying down.
2. Start with the stem adjacent to the lamp holder, rotating the section clockwise to screw the parts together. Assemble all sections of the stem (refer assembly diagram included on the following page), finally attaching the end of the stem to the base support.
3. Take care to ensure the supply cord is free and not twisting within the stem and base whilst attaching the parts.
4. Install the recommended bulb.
5. Place the lamp fitting on a stable / dry and level support surface.
6. Insert the supply cord plug into a suitable mains outlet and use the in-line cord switch to operate.
