INTRODUCTION

Welcome to Everyday Home and Contents Insurance

Why is this document important?

This policy document is an important legal document that contains details of *your* Everyday Home and Contents Insurance *you* have purchased from *us*. *Your* policy comprises:

- › this policy document;
- › *your policy schedule* which shows the details particular to *you*;
- › the information *you* provided to *us* in *your* application or declaration;
- › any information *you* provide to *us* regarding any change in circumstances;

whether *you* have received or provided this information verbally, or have completed, accessed or received versions of these documents electronically or in printed form.

Communicating with you

You agree we may send *your* policy documents and *policy* related communications electronically. This will be by email and/or other types of electronic communication methods. Policy documents and *policy* communications will be provided to *you* in this

way until *you* tell *us* otherwise or we tell *you* it is no longer suitable. In order to communicate with *you* electronically, *you* will need to provide *us* with *your* current email address and *your* New Zealand mobile phone number.

Each electronic communication will be deemed to be received by *you* at the time it leaves *our* information system.

Cooling off period

After this insurance begins or *you* renew *your* policy for another period of insurance, *you* have **21** days to consider the information in *your* policy document. This is called the 'cooling off period'. If *you* wish, and provided *you* have not made a claim, *you* can exercise *your* cooling off rights by cancelling this *policy* within **21** days from the day cover began or was renewed. When *you* exercise *your* cooling off rights, we will refund in full the money *you* have paid for that period of insurance but *you* will have no cover from when *your* policy would have otherwise begun or from *your* renewal date.

Your duty of disclosure

Before *you* enter into a *policy* with *us*, and at each renewal of the *policy*, *you* have a duty to disclose to *us* everything *you* know, or could reasonably be expected to know, which is or may be relevant or material to *our* decision to insure anyone under the *policy*, including *you*, and on what terms.

It includes matters *we* specifically ask about when *you* apply for a *policy*, or renew or alter *your policy*, but *you* are also obliged to disclose matters that *we* do not specifically ask *you* about if they may be relevant or material.

If *you* are unsure whether something is relevant, material or should be disclosed, it is better to tell *us*. If *you* do not tell *us* something relevant or material which *you* know or should know, *we* might reduce a claim, refuse to pay a claim, cancel *your policy*, or treat the *policy* as if it never existed.

More than one named insured

If there is more than one named insured on *your policy schedule*, or where one of the named insureds is a trust, *we* will treat a statement, act, omission, claim, request or direction (including to alter or cancel *your policy* or to accept a settlement of a claim) made by one insured, including trustees, as a statement, act, omission, claim, request or direction by all those named as insured on *your policy schedule*.

Where other insurance applies to your claim

This *policy* does not cover *loss or damage* or liability where cover is provided by other insurance. *We* will not contribute towards any claim made under any other policy.

The law that governs this policy

This *policy* is governed by New Zealand law, and the New Zealand courts have exclusive jurisdiction over any legal proceedings about it.

Other parties with an interest in your home or your contents

Where *we* are satisfied that there is a mortgage or secured financial interest over the *home* or the *contents*, *we* may make a claim payment under this *policy* to that interested party. This will meet *our* obligations under this *policy*.

Any party who is recorded under this *policy* as having an interest in the *home* or *contents* is not covered by this *policy* and has no right to make a claim. *We* will not advise any interested party of any changes to the *policy*, the property insured, or the extent or amount of cover.

No assignment

You are not permitted to assign or to attempt to assign this *policy* or *your* interest in this *policy* to any other party. *You* must obtain *our* prior written consent before *you* assign or attempt to assign *your* rights to any claim proceeds to any other party.

Sale and purchase

Where *you* have entered into a contract to sell *your home*, the purchaser of *your home* is covered under this *policy* until the time of settlement of the contract or when they take possession of the *home*, whichever occurs earlier. This cover is provided by virtue of the Insurance Law Reform Act 1985. All requirements and limitations in this *policy* apply to *you* and the purchaser as if *you* are insured jointly. Nothing in this section has the effect of extending a policy which has been cancelled or has not been renewed prior to the settlement of the contract or when the purchaser takes possession of the *home*.

Some words in your policy have special meanings

Some words when used in this policy document have special meanings. Words with special meanings are defined in the 'Words with special meanings' section at the end of this policy document. Words with special meanings will appear in *italics* throughout this *policy*.

Headings used in your policy

Where headings are used in this policy document the headings or references are purely descriptive in nature and are not to be used for interpretative purposes.

ABOUT YOUR SUM INSURED

What is a sum insured?

The sum insured is the most *you* can claim for any one *event* under one of the covers under this *policy* (either *home* or *contents*), unless stated otherwise in this policy document. The sum insured amount is shown on the *policy schedule* for the particular covers that *you* have purchased, and includes GST. *Your policy* also contains some benefits which are paid in addition to the sum insured under each or both of the *home* and *contents* sections of the *policy*. Where this applies, these benefit limits are specified in this policy document.

Make sure your sum insured is adequate

Underinsurance can expose *you* to serious financial loss if a claim occurs. It is *your* responsibility to make sure *your home* and *contents* are insured for their full 'new for old' replacement value.

Review your sum insured regularly

You need to ensure *your* sums insured are accurate. To ensure *your* sums insured are adequate it is important to review them regularly, being mindful of items purchased recently and ask *us* to change the sum insured when required.

If you over-insure

We will not pay more than it costs *us* to rebuild, repair or replace *your home* or *contents*. We will not refund any premium paid for over-insuring.

Adjustments on renewal

We may automatically adjust the *home sum insured* and *general contents sum insured* on *your policy schedule* at the end of each *period of insurance* to account for various factors that can influence the cost of rebuilding a home, or repairing or replacing items of *contents*. *You* are entirely responsible for ensuring that any adjusted sum insured is sufficient to cover *loss or damage* to *your home* and/or *contents*. Please ask *us* to change the sums insured for any items insured as *specified items* when required.

Where *you* sustained *loss or damage* to *your home* or *contents* in a previous *period of insurance*, any adjustment to *your* sums insured at renewal does not take account of the reduced amount of cover that applies until *you* repair, rebuild or replace *your home* or *contents*.

PAYING YOUR PREMIUM

We will tell *you* how much *you* have to pay and how much time *you* have for payment in *our* correspondence with *you*. The total amount payable will be shown on *your policy* documentation or, if *you* pay by instalments, the fortnightly or monthly premium will be shown on *your policy* documentation, as the amount due. *You* must pay the premium by the

due date to get this insurance cover. *You* can pay in one annual payment or if we agree, by fortnightly or monthly instalments. Payment of *your* premium is a condition precedent to cover under this *policy*.

Unless we tell *you*, any payment reminder we send *you* does not change the expiry or due date.

If *you* make a change to *your policy* details it may affect the premium *you* need to pay or have paid for the remainder of *your period of insurance*.

If *you* do not pay the full amount, we may reduce the *period of insurance* so it is in line with the amount *you* paid.

Late annual payments

If *you* do not pay *your* premium by the due date in the first year of insurance with us, we will give *you* a written notice of *policy* cancellation.

If *you* do not pay the premium due on renewal by the due date, *you* will have no cover from the due date.

If we accept *your* late payment, we might recommence *your* cover from the date we receive *your* payment. If so, *you* will have no cover for the period from the date that the payment was due until the date *you* make payment. However, any recommencement of cover will not extend the *policy* expiry date.

Overdue instalments

If *you* pay *your* premium by instalments and *your* instalment is overdue, we can do one or both of the following:

- › refuse to pay a claim or provide any other benefit under this *policy* if an instalment is **14** days (or more) overdue;
- › cancel *your policy* without notifying *you* in advance if an instalment is **1** month (or more) overdue.

YOUR RESPONSIBILITIES

You must:

- › keep *your home* and *contents* well maintained and in good condition;
- › maintain locks or alarms in good working condition;
- › take all reasonable care to prevent theft, *loss* or *damage* or legal liability;
- › follow all the terms and responsibilities set out in *your policy*;
- › provide honest, accurate and complete information in relation to any claim, statement or document, including proposal, application, or declaration, supplied to us;
- › ensure that *your home* complies with local government or other statutory requirements at all times.

Not meeting your responsibilities

If *you* do not meet *your* responsibilities, it may lead us to do one or both of the following:

- › reduce or refuse to pay *your* claim;
- › cancel *your* insurance *policy*.

When your home will be unoccupied for more than 60 days

We will still cover *your home* if it is *unoccupied* provided that *you* ensure that its lawns and gardens are kept in a tidy condition, that all external doors and windows are kept locked, that all papers and mail are collected regularly and that *your home* is under regular supervision.

We will apply the unoccupied excess to each event covered by *your policy* if, at the time of the event, the *home* has been *unoccupied* for more than **60** continuous days.

A period of unoccupancy starts when the *home* becomes *unoccupied* and comes to an end when *you*, or someone nominated by *you*, has *occupied* the *home* for at least 2 consecutive nights. *You* may be asked to prove the occupancy of the *home* in the event of a claim. We will decide if the unoccupied excess applies.

If *you* have to pay an unoccupied excess it is payable in addition to any other excess that applies to *your* claim. For more details about the unoccupied excess see 'Your excess'.

WHEN YOU NEED TO CONTACT US

You must contact us when:

- › *you* start to operate or intend to operate a *business activity* at the *insured address*;
- › there are changes to any *business activity* *you* operate at the *insured address*, such as:
 - *you* change the type of *business activity*;
 - customers (whether paying or otherwise) or suppliers start to come to the *insured address*;
 - *you* install business signage;
 - *you* need to store chemicals for the *business activity*.
- › any detail on *your policy schedule* is no longer accurate;
- › *you* intend to demolish *your home*, have lodged an application to do this, or a government authority has issued a demolition order;
- › *you* move out and let *your home* to tenants;
- › trespassers (squatters) occupy *your home*;
- › *you* commence building or renovations at the *insured address*;
- › *you* or any person living at the *insured address* is convicted of a crime;
- › anything else happens that increases the chance that *loss or damage* will occur at the *insured address*;
- › *your* contact details change.

What we will do when you contact us:

When *you* contact *us* and tell *us* about these changes, we may decide to impose an additional excess, charge an additional premium, apply a special condition to *your policy*, or a combination of these. In some cases, it could mean we can no longer insure *you* and we will cancel *your policy*.

When moving house (for contents only)

When *you* are permanently changing *your* residential address within New Zealand, we will cover *your contents* for loss or damage caused by an *insured event* during the *period of insurance* at both *your insured address* and new address for up to 14 days from when any of *your contents* first arrive at the new address. The most we will pay for *your contents* in all locations is the *general contents sum insured*. All conditions, limits and exclusions of this *policy* apply to this cover.

You must contact *us* before the 14 days end and ask *us* to change *your insured address* if *you* want *contents* cover to continue.

Once *your contents* have been at *your* new address for 14 days all cover for *contents* under this *policy* ends unless *you* have contacted *us* to change *your insured address*, we have agreed to continue cover and *you* have paid *us* any extra premium we require.

When *you* are a tenant of a property, contents also include any items used primarily for domestic and residential purposes, which are permanently attached to the *insured address* and which *you* own.

- › *drones*, while they are in use.

THE MOST WE WILL PAY FOR CONTENTS CLAIMS

Different types of contents

There are different types of contents that can be covered under this *policy*. These are:

- › *General contents* – these include:
 - *Contents* without fixed limits;
 - *Contents* with fixed limits; and
 - *Contents* with flexible limits.
- › *Specified items* – for contents with flexible limits, *you* can increase their limits if *we* agree. If *you* increase the limit of such items and *we* agree, the items are listed on *your policy schedule* as '*Specified items*'.
- › *Portable valuables* – some *contents* can be covered while they are away from the *insured address* where *you* choose to take out either or both of the portable valuables optional benefits. See '*Portable valuables – unspecified items*' and '*Portable valuables – specified items*'.

The most we will pay for contents claims

If *we* accept *your* claim the most *we* will pay for *loss or damage* to all *contents* arising from any one *insured event* is the *general contents sum insured* (which includes any *specified items*) plus any portable valuables sums insured (as shown on *your policy schedule*).

There are also limits that apply to individual *content* items or types of items. These limits are set out in the tables headed '*Contents with fixed limits*' and '*Contents with flexible limits*'.

Contents without fixed limits

There is no item limit on the amount that *we* will pay for *contents* without fixed limits, however the *general contents sum insured* still limits the amount that *we* will pay for *loss or damage* from any one *insured event*.

Contents with fixed limits

The following table lists *contents* that have fixed limits that cannot be changed and these limits are the most we will pay for those *contents* items.

Item	Limits for any one insured event
Home office equipment used for a business activity	Limited to \$10,000 in total
Tools of trade and equipment used for a business activity (not 'home office equipment')	Limited to \$1,000 in total
Cash, smart cards, phone cards, documents able to be cashed or traded, vouchers, money orders or stamps (not in a set or collection)	Limited to \$300 in total
Uncut and unset gems, gold or silver nuggets, bullion and ingots (not jewellery)	Limited to \$500 in total
Refrigerated food, frozen food and medicines	Limited to \$500 in total
Drones including accessories and ancillary equipment	Limited to \$3,000 in total

Contents with flexible limits

The following table lists *contents* that have flexible limits, which *you* can ask *us* to increase. An additional premium may apply. If *you* have not asked *us* to increase the limit, the most we will pay is the limit shown for the item in the table below.

Item	Limits for any one insured event
Jewellery and watches	\$1,000 per item or set up to a total of \$4,000
Carpet or rugs that are hand woven	\$2,000 per carpet or rug
Paintings, pictures, works of art, antiques, sculptures, ornaments and art objects	\$10,000 per item or set up to a total of \$50,000
Collections, sets and memorabilia, including stamps, stamp collections, collector's pins, medals and currency no longer in circulation	\$2,000 in total for all collections, sets and memorabilia

If you find that the flexible limits detailed above are not high enough you can choose to tailor your cover to best suit your individual needs by choosing to specify individual items.

For example:

If you have a painting in your home that is valued at \$15,000, you would need to ask us to list that painting for \$15,000, and we must agree, in order for it to be covered to the value of \$15,000. Otherwise, in the event of a claim we will only pay up to \$10,000 for that painting as shown by the limit in the table above.

The most we will pay for specified items

If you have asked us to increase the limit for a contents item of a type described in the table headed 'Contents with flexible limits' and we agree, that contents item will be insured for a specified value and the contents item will be shown on your policy schedule as a 'Specified item'. The most we will pay for a specified item is the amount shown on your policy schedule for that item.

The most we will pay for portable valuables

For details see 'Optional benefits applicable to contents'.

GST

Limits, excesses and the most we pay amounts stated in this policy document and on your policy schedule include GST.

WHAT YOU ARE COVERED FOR – INSURED EVENTS

You can choose to insure your home and contents, or just home or just contents. Your policy schedule will show what covers you have.

Contents cover

If you have contents cover, we cover your contents for loss or damage at the insured address caused by an insured event during the period of insurance, subject to the conditions, limits and exclusions in this policy.

Insured events

The cover that we provide under this policy is for loss or damage caused by the insured events below. There are some things that we do not cover under these insured events. The 'We do not cover' section under each insured event shows the things that we do not cover that are specific to that insured event. The 'General exclusions' also contain things that we do not cover that apply to all parts of this policy.

If you have purchased the optional benefit 'Accidental damage at the home' and this is shown on your policy schedule, there may be cover for some loss or damage that is not covered by the insured events below. The optional benefit will not, however, cover any loss or damage that is excluded under 'We do not cover' or under the 'General exclusions'.

Insured event flood

We cover

Loss or damage caused by flood.

We do not cover

- › *loss or damage* to sea walls, garden borders and free standing outdoor walls;

There are some things *we* do not cover under these benefits. The 'We do not cover' section under each benefit shows the things that *we* do not cover that are specific to that benefit. The 'General exclusions' also contain things that *we* do not cover that apply to all parts of this *policy*. All of the conditions of this *policy* apply to optional benefits unless the cover says otherwise.

Loss or damage at the *home* which is covered by this benefit will be treated as if it was caused by an *insured event* under this *policy*. If we accept a claim under this benefit, you will also be entitled to any other benefits listed under 'Benefits' under this *policy* which would apply if the *loss or damage* was caused by an *insured event*.

- › 'Insured event fire';
- › 'Insured event explosion';
- › 'Insured event impact';
- › 'Insured event accidental breakage of glass';
- › 'Insured event escape of liquid'.

Terrorism

any act of terrorism, including but not limited to the use of force or violence, or the threat of force or violence which from its nature and context is done with political, religious, ideological, ethnic or similar purposes, including the intention to influence any government and/or to put the public or any member of the public in fear.

CLAIMS

MAKING A CLAIM

Contact *us* as soon as possible if *you* suffer loss or damage, or if there is an event that could result in a claim under this *policy*.

What you must do

Step 1 Make sure everyone is safe. For emergencies, please call 111.

Step 2 Try to prevent further loss or damage.

If possible take reasonable steps to prevent further *loss or damage* or liability.

Step 3 Immediately report any theft and malicious damage to the police.

Give them a list of all stolen or *damaged* items. Keep details of the date reported, name of the police officer, police station reported to and the report number.

Step 4 Contact us as soon as possible.

You can call *us* 24 hours a day. If *you* delay reporting *your* claim, *we* may refuse to pay *your* claim or may not pay for any additional *loss or damage* caused by *your* delay. *You* must provide details of what has been affected by the event.

If the damage to *your home or contents* was caused by another person, please provide *us* their name and address.

Legal liability claims

You must tell *us* about any event that has caused damage to property, or which may give rise to a claim.

You must also immediately tell *us* about any written or verbal communications that *you* receive about any possible claim or any demands made on *you* to pay loss, cost, expense or compensation to others and any court actions or offers of settlement and send these to *us*. *You* must not incur any expense or negotiate, pay, settle, admit, repudiate or make any agreement in relation to any claim without *our* written consent.

If *you* make a legal liability claim that is covered under this *policy* *we* can decide to defend *you*, settle any claim against *you* or represent *you* at an inquest, official inquiry or court proceedings, but *we* are not obliged to do so.

If *we* decide to defend *you*, settle any claim against *you* or represent *you*, then *you* must give *us* all the help *we* need, including help after *your* claim is settled.

You must tell us immediately if you or any other person entitled to cover under the *policy* is charged with any offence which resulted in *bodily injury* to another person or *loss or damage* to someone else's property.

You must obtain our written approval before any offer of *reparation* is made.

For us to process your claim for loss or damage to your home or contents you must

- › allow us to inspect *your damaged home* and/or *contents*;
- › allow us to arrange for experts to assess *your damaged home* and/or *contents* and to quote on repair or replacement;
- › provide us with a quote for repair or replacement if we ask for this. If you choose to use our recommended repairers (when available), there is no need to obtain your own quotes;

What you must not do

- › do not dispose of any *damaged* parts or items of *your home* or *contents* without our consent;
- › do not carry out or authorise repairs without

our consent unless you cannot contact us and need to make emergency repairs to protect *your home* or *contents*;

- › do not wash or clean or remove debris from any area *damaged* by fire without our consent unless you need to do this to prevent further *loss or damage*;
- › do not admit liability or responsibility to anyone else unless we agree;
- › do not negotiate, pay, make any agreement or settle a claim with anyone else unless we agree;
- › do not accept payment from someone who admits fault for *loss or damage* to *your home* or *contents*. Refer them to us instead.

If you do not comply

If you do not comply with our requirements when making a claim we can reduce or refuse your claim and/or recover from you any costs and/or any money we have paid and/or cancel your *policy*.

YOUR EXCESS

What is an excess?

An excess is the amount you have to pay for each event when you make a claim. Sometimes you might have to pay more than one type of excess. The amount and types of excess are shown on your *policy schedule* and/or in this policy document. Your excess or excesses are payable irrespective of the sum insured or policy limit applicable to your claim. Where you sustain *loss or damage* from more than one event, the excess (or each applicable excess) will be payable for each separate event.

The types of excess are:

Standard excess

A standard excess applies to all claims unless stated otherwise in this policy document. *You* can choose a higher standard excess to reduce *your* premium.

The amount of the standard excess applied to the *home* can be different to the standard excess applied to the *contents*.

Additional excess

In some circumstances, an additional excess may apply based on *our* assessment of the risk. This excess is payable in addition to any other excess unless stated otherwise in this policy document or *your policy schedule*.

Natural disaster excess

This excess applies in addition to any other excess if *you* make a claim as a result of *natural disaster* for *loss or damage* to items of *your* home that are not insured under the EQC Act.

Unoccupied excess

This excess applies in addition to any other excess, unless stated otherwise in the policy document, if, at the time of the *loss or damage* covered by *your policy*, the *home* has been *unoccupied* for more than **60** continuous days.

When you claim for both home and contents

When both *your home* and *contents* at the one *insured address* are insured with *us* under this *policy* and *your* claim is for *loss or damage* to both arising from the one *event*, *you* must pay whichever is the higher of *your* standard excesses under either *your home* or *your contents policy*. *You* must also pay any of the other excesses which apply to *your* claim.

How to pay your excess

When *you* make a claim we will choose whether to deduct the applicable excesses from the amount we pay *you* or direct *you*

to pay the excesses to *us* or to the appointed repairer or supplier. *We* may require *you* to pay the excess in full before *we* pay *your* claim or provide any benefits under *your policy*. The fact *we* have asked for payment of *your* excess does not of itself mean that *your* claim has or will be accepted by *us* either in whole or in part.

HOW WE SETTLE YOUR CLAIM

We choose how we settle home claims

If we agree to pay a claim for *loss or damage* to *your home*, we will decide if we will:

- › repair damage to *your home* to *our* option of the 'new for old' condition or to a similar condition to what *your home* was in before the *loss or damage* occurred;
- › rebuild *your home* to the 'new for old' condition;
- › allow *you* to repair or rebuild *your home* and pay *you* up to the *replacement cost* after *you* have incurred it. If we choose this option, we will have the right to inspect the building works at any time, to be fully informed about the works, and to inspect any relevant documentation;
- › pay *you* up to the *replacement cost* to repair or rebuild *your home* if we are satisfied that *you* will incur that cost within **12** months. If we choose this option we will agree with *you* the terms on which *you* will provide *us* with security for *our* payment to *you* until the cost is incurred;
- › allow *you* to build a home at a different location and pay *you* up to the *replacement cost* after *you* have incurred it, but we will not pay for any additional costs associated with building at that location, or for the cost of land. If we choose this option, building must be completed within **12** months (unless we agree in writing to extend the time period) and we will have the right to inspect the building works at any time, to be fully

informed about the works, and to inspect any relevant document;

- › pay up to the *replacement cost* to assist you in purchasing an established home elsewhere within **12 months** provided we can agree with you the terms on which you will provide us with security for our payment to you until the purchase is completed;
- › pay you the *home sum insured* for your home;
- › pay you the *indemnity value* where you do not intend to repair or rebuild your home within **12 months**, unless we agree in writing to extend that time;
- › pay any part of the *replacement cost* or *indemnity value* to any mortgagee or other party with a secured financial interest in the home, and settle your claim by choosing one of the other settlement options in this section;
- › give you a voucher, store credit or stored value card for the amount it would cost us to repair or rebuild an item.

We may deduct any amounts you owe us from any amount we owe you. Regardless of which of the above settlement options we choose, we will never pay more than the *home sum insured*, plus any additional benefit limits which are specified in this *policy* to be paid in addition to the *home sum insured*.

We choose how we settle contents claims

If we agree to pay a claim for *loss or damage* to your contents, we will decide if we will:

- › repair damage to your contents;
- › replace your contents to the 'new for old' condition;
- › pay you what it would cost us to repair or replace your contents or any lower limit that applies;
- › pay you the *general contents sum insured* or any lower limit that applies;

- › give you a voucher, store credit or stored value card for the amount it would cost us to repair or replace your contents.

If we replace (or pay you what it would cost us to replace), we will do so to the 'new for old' condition.

If we repair (or pay you what it would cost us to repair), this will at our option be to the 'new for old' condition or repair to a similar condition to what your contents were in before the *loss or damage* occurred.

We may deduct any amounts you owe us from any amount we owe you.

We will not:

- › pay more than the relevant sum insured or policy limit;
- › pay extra to repair or replace your home or contents to a better standard, specification or quality than it was before the *loss or damage* occurred except as stated in the meaning of 'new for old' condition;
- › pay for any additional costs or fees required for your home to comply with any heritage covenants that apply to your home or costs associated with your home being considered or declared an archaeological site;
- › fix a fault that existed before the *loss or damage* occurred;
- › pay any decrease in the value of a pair, set or collection when the *lost or damaged* item forms part of a pair, set or collection. We pay only for the repair or replacement of the item which was *lost or damaged*.

'New for old' condition means:

We rebuild, replace or repair

- › with new items or new materials that are readily available at the time of replacement or repair from New Zealand suppliers;
- › in the case of your home, the materials and techniques used are the current equivalents to those used when your home was new or

last enhanced; and

- ▶ to the condition that is not better or more extensive than the condition the *home* or the item was in when it was new or last enhanced, with no allowance for depreciation.

'New for old' condition does not mean:

- ▶ paying the extra cost of replacing or purchasing an extended warranty on any item;
- ▶ of a better standard, specification or quality than the *home* or the item was when it was new or last enhanced; or
- ▶ that heritage features in *your home* will be replicated if it is not possible to do this easily using equivalent techniques and/or building materials that are readily available in New Zealand.

'New for old' condition for certain items

Obsolete electrical appliances

For obsolete electrical appliances such as outdated computers or TVs, '*new for old*' condition means replacing or repairing to an equal specification (but not brand). If this is not available, it means to the nearest better specification available. It can be a different brand. We do not insure electrical or electronic items that are no longer able to be used for the purpose they were intended.

Paintings, pictures, works of art, sculptures, ornaments, art objects, collections, sets and memorabilia and antiques (not jewellery)

For these items, '*new for old*' condition means that if the item cannot be replaced with a new item or repaired, we will pay you what it would have cost to buy the item immediately before the *loss or damage* occurred.

HOME CLAIMS

This section relates specifically to a claim made on *your home policy* and is in addition to the information in 'How we settle your claim'.

If we choose to settle *your* claim by paying you the cost of repairing or rebuilding *your home*, the amount we pay will be calculated on the basis of the costs we would have met if we were repairing or rebuilding *your home*, as set out in this section.

When we authorise repairs or rebuilding of your home

If we need to source material in order to repair or rebuild *your home*, we will do *our* best to obtain new materials that are the same type, standard and specification as those that have been *lost or damaged*. If the same materials are not available, we will use materials of a similar type, standard and specification that are readily commercially available and compliant with current building regulations. If the exact materials used in *your home* are no longer used in building modern homes and there is a current equivalent material which serves the same function and provides no obvious difference in appearance, we will use the current equivalent material.

We may enter into any building contract with the selected repairer and/or supplier on *your* behalf. If we do this, we will oversee the repairs and keep you informed of their progress.

When we cannot match materials

If we cannot find materials to match undamaged parts, we will use the closest match available to us.

If you are not satisfied with the materials we find as the closest match before we repair *your home*:

- ▶ if we agree, you can pay the extra cost of replacing undamaged parts of *your home* to achieve a uniform appearance; or

- › we will pay *you* what it would have cost *us* to repair or rebuild the *damaged* part.

Repairing or rebuilding damaged parts

We will only repair or rebuild (or pay to repair or rebuild) the parts that are *damaged* in the *event* covered by *your policy*. You cannot claim to replace undamaged parts of *your home* to create a uniform appearance. Examples of when we will not replace undamaged parts are when:

- › **one garage door is damaged**
We will only replace or repair the *damaged* one, not other doors.
- › **roof tiles are damaged**
We will only replace the *damaged* ones, not the undamaged tiles, even if the undamaged tiles are faded and do not match the new ones used for repairs.
- › **roof sheeting is damaged**
We will only replace the *damaged* roof sheeting, not the undamaged roof sheeting, even if the closest match available to *us* is a different shade or colour to the undamaged roof sheeting.
- › **an external wall is damaged**
We will replace the *damaged* parts of the wall, not undamaged areas of the wall or other sides of *your home*.

These examples are not an exhaustive list of the times when we will not replace undamaged parts. For the limited circumstances when we will replace undamaged parts, see the next section.

When we will repair or rebuild undamaged parts

If we cannot match the new materials with the undamaged parts, we will only pay extra to create a uniform appearance when:

- › **internal wall tiles are damaged**
We will replace undamaged wall tiles in the same room, stairs, hallway or passageway* so they match or complement new tiles used for repairs.
- › **other internal wall coverings are damaged** (e.g. paint, wallpaper, wood panels, but not tiles)
We will pay extra to paint, wallpaper or replace undamaged wall coverings in the same room, stairs, hallway or passageway* where the damage occurred.
- › **internal floor coverings are damaged (including tiles)**
We will pay extra to replace continuously joined undamaged floor coverings of the same material in the same room, stairs, hallway or passageway* where the damage occurred.
- › **kitchen cabinets, cupboards or benchtops are damaged**
see 'Repairing or replacing kitchen cabinets, cupboards or benchtops'.

*See 'What we mean by same room, stairs, hallway or passageway'.

Repairing or replacing kitchen cabinets, cupboards or benchtops

We will repair damaged parts of your kitchen

We will pay to repair the *damaged* parts of *your* kitchen cabinets, cupboards or benchtops.

When we will replace undamaged parts of the kitchen

To create a uniform appearance, we will pay extra to replace undamaged parts of the same cabinet, cupboard or benchtop so that they match the repaired parts.

Same cabinet, cupboard or benchtop means:

- › those parts continuously joined to the *damaged* parts (this is one 'section');
- › made out of the same materials; and
- › on the same level.

Sometimes replacing the benchtop, door fronts or drawers in the undamaged area is all that is necessary to create a uniform appearance. We will decide what is necessary depending on the circumstances.

What we mean by same room, stairs, hallway or passageway

Same room

A room is an area starting and finishing at:

- › its nearest walls;
- › nearest doorway, archway or similar opening of any width;
- › a change in the floor or wall covering.

A hallway next to a room is not the same room, even if it has the same floor or wall covering as the room.

Any archway or similar opening separates a room unless it is a combined lounge-dining room.

Combined lounge-dining room

We will only combine rooms with a shared doorway, archway or similar opening when:

- › they are lounge and dining rooms; and
- › the shared doorway, archway or similar opening is wider than 82cm; and
- › the floor or wall covering is the same in both rooms.

Open plan areas

When there is no wall, archway, doorway or similar opening, the room continues until:

- › a change in the floor or wall covering;
- › the nearest wall, doorway, archway or similar opening.

Same passageway or hallway

A passageway or hallway has the same meaning as a room. We will not combine a hallway and a room.

Changes to your home

If you want to change the design of your home

When repairing or rebuilding *your home*, if we agree, *you* can choose to change the design of *your home* or upgrade parts of it, providing *you* pay the extra costs of doing this. If *you* want to downsize *your home* for less cost than *you* are entitled to claim, we will not pay more than it costs *us* to rebuild the downsized home.

Choosing to rebuild on another site

If *your home* is to be rebuilt following an event covered by *your policy* *you* can choose to have *your home* rebuilt on another site providing *you* pay any extra costs involved. We do not pay the costs of purchasing the land at the other site.

Lifetime guarantee on home repairs

When we repair or rebuild *your home*, we guarantee the quality of materials and workmanship of that work for the lifetime of *your home* while *you* own it if we:

- › authorise;
- › arrange; and
- › pay the builder or repairer directly for this work.

What we guarantee

We guarantee that the material used and standard of the workmanship at the time of repairs or rebuilding will be free of defects. If a defect arises in the lifetime of *your home* and while *you* are the owner of *your home* as a result of poor quality workmanship or use of incorrect materials, taking into account the relevant building standards and materials used at the time of repair or rebuilding, then we will rectify the problem. This guarantee cannot be assigned to any other person or entity.

This guarantee does not apply:

- › to repairs *you* authorise or make yourself;
- › to *loss or damage* to or failure of any electrical or mechanical appliances or machines;
- › to wear and tear consistent with normal gradual deterioration of *your home* (e.g. paint peeling off after its expected life cycle, wood rotting from moisture in the air or ground, roofs weathering or a hot water tank leaking after its guaranteed life);
- › where we agree with a repair quote and we give *you*, or the builder or repairer, payment for the cost of the repairs and *you* arrange the repairs.

CONTENTS CLAIMS

This section relates specifically to a claim made on *your contents policy* and is in addition to the information in 'How we settle your claim'.

When we repair or replace your contents

If we choose to repair damage to *your contents* or replace *your contents*, we will repair or replace with items or materials that are reasonably available at the time of repair or replacement from New Zealand suppliers.

We will do *our* best to replace to the same type, standard and specification (but not brand) as when the *contents* were new or last enhanced. If the same is not available, we will replace with items or materials of a similar type, standard and specification when new.

When we cannot match contents items

If we cannot find a *contents* item match we will use the closest match reasonably available to *us*.

If *you* are not satisfied with what we choose before we repair the *contents*:

- › if we agree, *you* can pay the extra cost of replacing other parts of *your contents* to achieve a uniform appearance; or
- › we will pay *you* what it would have cost *us* to repair, but only if we agree to this.

Items that form part of a set or collection

We will only repair or replace *contents* that are *lost or damaged* by an event covered by *your policy*. You cannot claim to replace undamaged parts of the *contents* (e.g. when a lounge chair which is part of a suite is *damaged* beyond repair, we will pay to replace that chair, not the whole lounge suite).

When we will repair or replace undamaged contents

We will only repair or replace *contents* that are *lost or damaged* by an *insured event*. You cannot claim to replace undamaged *contents* or undamaged parts of *contents*.

But there are limited circumstances where we will repair undamaged parts of *contents* to create a uniform appearance. These are:

▸ internal blinds and curtains

If we can't match the new material or parts with the undamaged ones, if necessary, we will pay extra to replace undamaged blinds and curtains in the same room, stairs, hallway or passageway* where the damage occurred.

▸ loosely laid carpets or other floor coverings

If we can't match the new material or parts with the undamaged ones, if necessary, we will pay extra to replace undamaged loosely laid carpets and other *contents* floor coverings in the same room, stairs, hallway or passageway* where the damage occurred.

*See the explanation earlier in this *policy* for 'What we mean by same room, stairs, hallway or passageway'.

If you want to change the contents

When repairing or replacing the *contents*, if we agree, *you* can choose to change the make and model of the *contents* item or upgrade to a different make and model of it, providing *you* pay the extra costs of doing this. If *you* want to downsize the *contents* item for less cost than *you* are entitled to claim, we will not pay more than it costs *us* to repair or replace the downsized *contents* item.

OTHER CLAIMS INFORMATION

Potential impact on cover and premiums

After a home claim

If we only pay part of the *home sum insured* to *you*, *your home policy* continues for the *period of insurance*. The amount of cover available for future claims will be reduced from the *home sum insured* stated on *your policy schedule* by the amount of the *loss or damage* to *your home*. The amount of cover shall be restored as and to the extent that the *loss or damage* to *your home* is repaired or rebuilt. This includes where *your policy* has been renewed before *you* have repaired or rebuilt the *loss or damage*. Before the amount of cover is restored, *you* must pay any additional premium we may charge. The amount of cover will be increased back to the amount stated on the *policy schedule* only once during the *period of insurance*, unless we confirm in writing that we will increase it more than once.

If we pay the full *home sum insured* to *you*, all cover under *your home policy* ceases. There is no refund of premium. If *you* have been paying premiums by instalments, *you* must pay the rest of the remaining unpaid instalments for the *period of insurance*.

After a general contents claim

If we pay part of, or the full *general contents sum insured*, the amount of cover available for future claims will be reduced from the *general contents sum insured* stated on your *policy schedule* by the amount of the *loss or damage* to your *contents*. The amount of cover shall be restored as and to the extent that the *loss or damage* to your *contents* is repaired or the item replaced. This includes where your *policy* has been renewed before you have repaired or replaced your *contents*. The cover for your *contents* continues for the *period of insurance* at no extra cost. You should reassess your *general contents sum insured* after a general *contents* claim. There is no refund of premium if your *general contents sum insured* is reduced by the amount of your claim.

After claiming for specified items or portable valuables – specified items

If we pay you the sum insured for a *specified item* of your *contents* or a *portable valuable – specified item*, or pay to replace it, cover for that item ceases and there is no refund of unused premium. If you want to cover any new replacement item as a *specified item* or *portable valuable – specified item*, you will need to contact us and apply for cover for the new item. We may charge you additional premium to cover the new replacement item.

After claiming for portable valuables – unspecified items

If we pay part of, or the full *portable valuables – unspecified items* sum insured, the *portable valuables – unspecified items* sum insured is decreased by the amount of *loss or damage* caused by the *insured event*. The *portable valuables – unspecified items* sum insured is increased as and to the extent that the *loss or damage* to your *portable valuables – unspecified items* is repaired or the item replaced, and the cover continues for the *period of insurance* at no extra cost.

Salvaged home and contents items

If we replace or compensate you for an item of *contents* or part of your *home*, we then own the *damaged* or recovered item or part. If we agree you can keep an item or part we will determine the salvage value and we can deduct this amount from any payment we make to you.

Our right to recover claims we pay from those responsible

After we pay a claim under this *policy*, we can decide to take legal action in your name to recover money from the person or entity which caused the *loss or damage* or liability. You must give us all the help we need to do this. If we recover money which exceeds the amount we have paid you or was not part of the claim we paid, we will give this to you. However, where you receive a payment, we may ask you to contribute on a pro-rata basis to the costs that we have incurred in recovering the money.
